R. T. SCALDWELL,
Executive Engineer.

KOLAR DIVISION.

ADVERTISEMENT.

The 21st June 1888.

Notice is hereby given that sealed tenders will be received at the office of the Executive Engineer, Kolar Division, up to 16th July 1888, for constructing a new tank across the Papagni near Devagunhalli in Sidlaghatta. An approximate estimate of quantities is given below. These quantities are not guaranteed. The work should be completed by the end of March 1892.

2. The plans, detailed estimate and conditions may be seen at the Executive Engineer's office at Kolar between the hours of 11 A. M. and 4 P. M.

3. Tenders should be submitted on printed forms which may be obtained from the Executive Engineer. The tenders should be accompanied by a statement in the form given below, showing the rates at which the different items specified will be executed.

4. Each tender must be accompanied by a deposit of Rs. 500 in cash or Government Promissory notes, as earnest money, and be superscribed "Tender for constructing a new tank across Papagni near Devagunhalli," in default of which, tenders will be rejected.

5. The final acceptance of any tender will rest with the Superintending Engineer, who does not bind himself to accept the lowest or any tender or to assign any reason whatever for the rejection of any tender.

6. Within 8 days of the acceptance of the tender, the successful competitor will be required to execute the usual contract bond; in default of which, his tender will be considered cancelled and his earnest money will be forfeited.
